Team Meetings

9AM – 11AM Tuesday

On Tuesday we had a group meeting with all members attending to discuss all previous meetings, our potential clients and ideas for the project.

10AM-12PM Friday

On Friday, I attended a group discussion at campus with Matt. We were there to have a meeting with Geoff Gordon but we weren't able to find him so we discussed project preferences and project ideas instead.

Advisor Meetings

2PM – 4PM Monday

Course led zoom meetings I attended on Monday Week 1.
